- During your daily prayer and meditation time, reflect on all the blessings you've listed, noticing the devotional page becoming full.
- Now, consider what would you be willing to give – of your time, talent, and/or treasure – so others could be blessed by you?
  - List all the divine ideas which come to mind.
  - List what steps you'll take to share your blessings.
  - Journal about how you felt when you shared your blessings with others.

Also, consider keeping this devotional in a sacred place so you can refer to it again, adding as many additional pages as you like, so you see how your blessings continue to flow to you and through you.
