

A PLAN FOR PERSONAL PROSPERITY

June 15th – Sept. 30th

Unexpected Income Program

Below is a prayer for Unexpected Income. Begin and end your day with it and set a Law in motion for your increased good.

Our Prayer Team will also work daily with YOU. Together we will make wonderful demonstrations of our faith! All you have to do to be included in our program is submit the form on the next page.

My Prayer for Prosperity

I believe that God is the source of all supply and that "money is God in action." I believe that my good is now flowing to me so richly and so fully that I have an abundance of money to spare and to share, today and always. I believe that true prosperity includes perfect health, perfect wealth, and perfect happiness.

These words which I now speak in faith, activate a law of Universal Good and I accept the results.

I bless all the good that is with me now; I bless the increase. I bless all of the others in the Unexpected Income Program and I know that now we prosper together in every way. I give thanks for this good.

And so it is!

Do this affirmative prayer every morning and evening throughout the next three months. What to expect...

How does this program work?

1. **Decide** to participate and sign the enclosed pledge. Mail the enrollment back to the office or drop it in the offering plate.
2. **Commit** to tithe 10% of your unexpected income to Unity Atlanta.
3. **Practice** the prosperity prayer everyday by thinking and reciting it often.
4. **Track** your unexpected income and your tithing.

Enrollment in the Unexpected Income Program is the first step toward prosperity. It is a wonderful experience to learn how to increase your income through unexpected sources, other than your normal income.

After having learned how to use the law of increase for money, you can use this law for all areas of your life and become truly prosperous.

*A positive path
for spiritual living*

You will receive support...

Unity Atlanta will assist you in this new adventure. Upon receiving your completed card, we will pray daily to know that you are being lifted up in consciousness to a new level of awareness which will draw income to you from unexpected sources and with lavish abundance.

What to learn...

You can learn how to experience the abundance of the universe. Sound incredible? Recent scientific discoveries have revealed new facts about an age-old law "it is done unto you as you believe." You can think your way to a prosperous life.

About the brain...

The brain consists of 100 billion neuron cells. Everything we do, every moment we make, every thought we think, everything we see, smell, taste, hear, and touch is recorded by these neuron cells in the brain.

The sum total of what a human being can do, think, move and sense is stored in the equivalent neuron chain.

About the imagination...

Further, research reveals that when we imagine any of these activities, the neurons go through the same electrical activities as if we are really experiencing them. WOW! Think of the potential with your imagination. This means when you state your goal and imagine you have achieved it, the neurons begin activating as if it were a reality and then start computing the way to accomplishment. That is how easy it works!

About the God mind...

There is only one mind and it is infinite. Secondly, our individual mind is our individual use of the God mind. If one's beliefs are unlimited, then the God mind can fulfill your fondest dreams. In truth, you are free to think unlimited thoughts and demonstrate prosperous living.

You have infinite power in your mental computer. Nothing exists which can limit your thinking except your own choice. Therefore, you can choose to expect your abundance to come to you from unlimited resources. God is unlimited supply.

I joyfully agree to tithe 10% of my unexpected income as a conscious act of aligning myself with the law of increase and as grateful acknowledgement that God is the source of all my good!

"From all the ends of the earth, my good flows to me."

Unity Atlanta's Unexpected Income Program Put Me on the List!

YES! I want to be included in the Affirmative Prayer for Unexpected Income and for the general demonstration of increased good in my life. I will share the increase that comes to me in the form of a gift of 10% OFF THE TOP to Unity Atlanta. I understand "Unexpected Income" to mean any increase of money over and above any current normal income.
