“Mystical Experiences in the Bible and in Our Lives”

Class Dates: Sundays – June 10 – July 1, 2018 at 10:00 -10:50 a.m.

Location: Unity Atlanta

Facilitator: Cora Alexander, Licensed Unity Teacher

Charles Fillmore, co-founder of Unity, defined a “mystic” as someone who has an intimate, firsthand relationship with God (Source: *Revealing Word*). Thus, everyone can be considered a mystic and is welcome to attend this class. The four-week transformative sessions will explore mystical experiences from the Bible from a metaphysical perspective and apply them to our own lives. We will increase our spiritual insight and become more attuned to mystical experiences as natural human occurrences along our spiritual journey. No SEE credit will be available.

Required Text: *The Holy Bible* or download weekly scripture(s) from www.biblegateway.com (NRSV). Also, the *Revealing Word* and the *Metaphysical Bible Dictionary* are available for reference through www.truthunity.net

Planned Activities: Group discussions; prayer and meditation; and journaling.

Cora Alexander has been a Licensed Unity Teacher since April 2009. She has facilitated Unity classes at Unity Houston; Unity South Atlanta and Unity Atlanta. Her teaching philosophy is “I AM here to serve.”
