Sunday, December 2, 2018

During your prayer and meditation time, using any Bible you choose, contemplate the text of Psalm 25: 1-10. Then, consider these statements:

❖ I have faith in..... I do not have faith in.....

- Be as specific as you can, as you list all which applies to your life now.

❖ I am waiting for:

- Be as specific as you can, as you list all which applies to your life now.

❖ I am seeing evidence that God is at work in the midst of all I have listed in/as/through:

- Be as specific as you can, as you list all which applies to your life now. Also note the day, time, and/or place, as appropriate, that you see this evidence.

❖ The Gift(s) of Advent I am receiving from this is/are:

- Be as specific as you can, as you list all which applies to your life now. Also, note the date, time, and/or place, that you received your gift.
